SPAWAR Systems Center San Diego Awards Contract

SAN DIEGO — *AP Labs Inc., of San Diego, is being awarded an indefinite delivery/indefinite quantity-type contract with a firm-fixed-price pricing structure for the manufacture of up to 294 Advanced Modular Electronics Distant Sentinel (AMEDS) communication chassis assemblies. Two AMEDS chassis models, each with distinct designs, will be provided to accommodate array processor and receiver cards and other supporting components and cabling. This five-year contract has a potential maximum value of \$9,983,022. Work will be performed in San Diego, Calif., and is expected to be completed by August 12, 2009. Contracts funds will not expire at the end of the current fiscal year. This is a sole source contract award for original manufacturer-supplied equipment required on an urgent basis to support military operations. The Space and Naval Warfare Systems Center San Diego, Calif., is the contracting activity (N66001-04-D-5028).

** AP Labs Inc. is a small business.*
